

Geneva Forum

Towards Global Access to Health
Geneva, April 20th, 2010

**GLOBAL HEALTH GOVERNANCE
LOST IN TRANSLATION?**

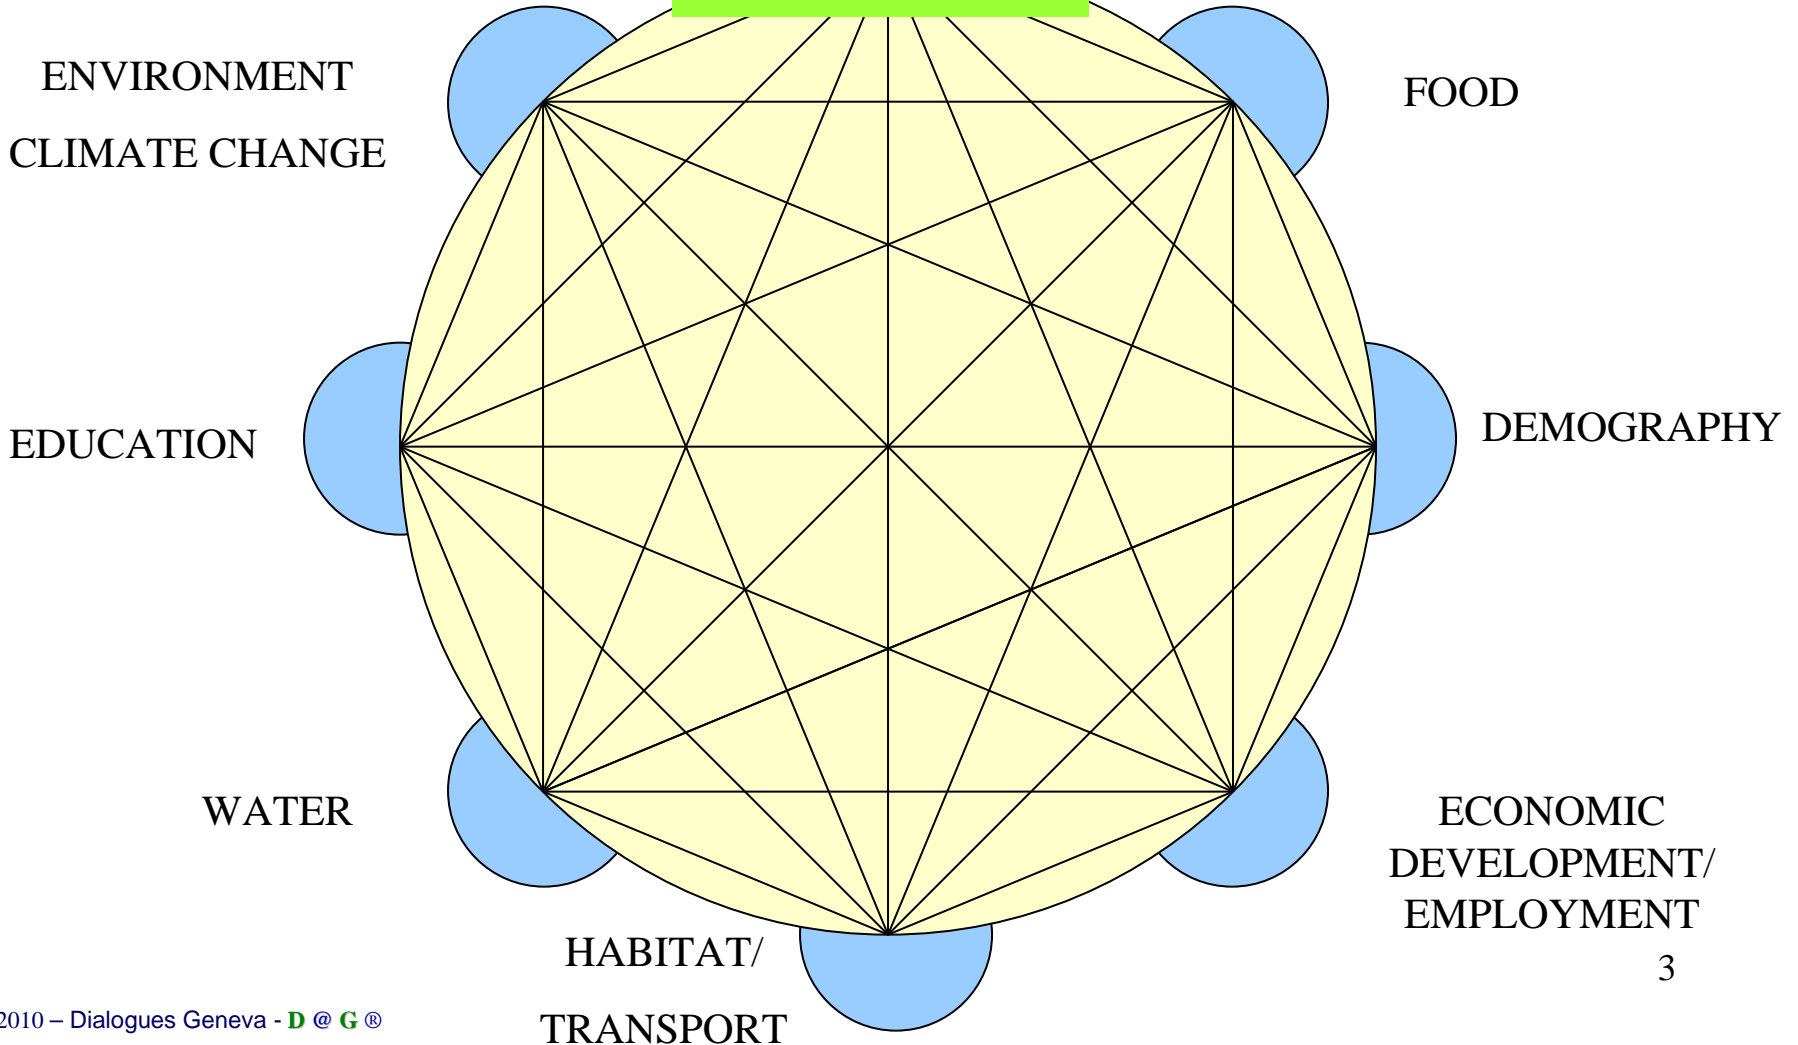

Governance refers to
the institutions and the processes
required to address and solve societal issues

Global health is one of the many global
interrelated issues to be addressed
across border in a transnational manner
as part of the world problématique

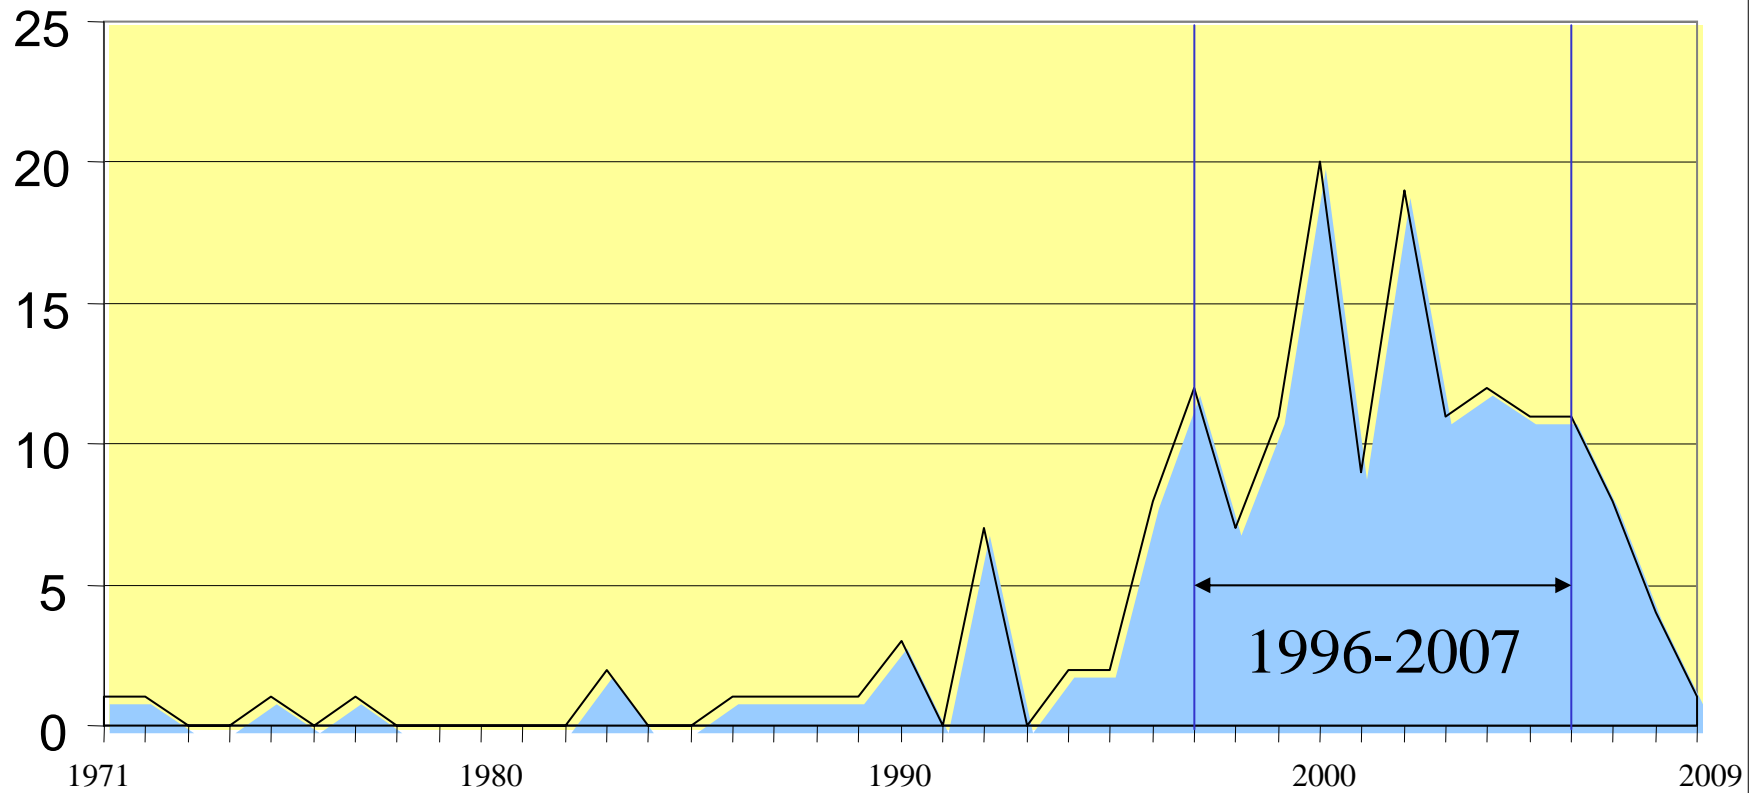

THE PROBLEMATIQUE OF HEALTH

THE DETERMINANTS OF WELL BEING

HEALTH
WELL BEING
